

# USDA Growing Opportunities Career fair

MARCH 21, 2012  
11:30 AM - 2:30 PM

California State University, Stanislaus,  
Mary Stuart Rogers Building (MSR)

This interactive table setting event will highlight the different agencies within USDA and expose students, staff, and faculty to USDA. The event is intended to provide students with networking opportunities and make them aware of internships, scholarships, student educational employment programs, conference sponsorships, career opportunities, potential employment prospects, and public service.

**OPEN TO ALL MAJORS & CLASS LEVELS
